BOARD OF EDUCATION

REPORT OF THE EXECUTIVE SECRETARY

THE QUADRENNIUM: It has been my privilege to serve the Oregon Conference for the first quadrennium of the United Church. A certain amount of success along with some failures have been ours. We have made progress. Our ongoing program is helping to answer the needs of individuals and of groups. Your Board is quite aware, however, that This Day demands the best that we can give, that we must enlarge our efforts and our leadership if we adequately serve our Conference. These four years have brought many changes. We have labored joyously together seeking to know and understand the best way "of getting the job done."

APPRECIATION: The report of the Board of Education is given in the following pages under the respective divisions. The leadership there represented has my deepest appreciation. Each person is carrying on his work wholeheartedly, finding every day too full of responsibility yet meeting the challenge in a very fine way. Dr. F. A. Magruder, as chairman of the Board, has served magnificently. His unselfish devotion to youth and the church in the name of the Christ has enriched all of us. Each member of the Board is taking Christian Education seriously and is concerned over reaching every child, youth and adult. Elaine Sorensen, Bishop Baxter's secretary, is most helpful and gracious. Vivian Smith Franz who has been employed part time for my office as secretary is a joy and is proving invaluable.

The Ministers and Laymen are most cooperative. Each local church knowing that our work will be effective only as it reaches individuals and creates in them the desire to be more Christ-like.

The Cabinet sets a very high standard for us. Bruce Baxter, our bishop, who works all the time and is never tired, who lives so close to God that he is always radiant, is constantly our inspiration. Silas E. Fairham, who travels through Oregon's Fairyland as well as her Open Spaces, who charms us with his English accent and his droll wit, says what he thinks and thinks straight. H. Guy Goodsell, who uses choice descriptions, who loves a good joke and never forgets it, practices what he preaches. Through joys and heartaches he keeps on smiling. J. Edgar Purdy, who loves his big hat, who knows the facts and keeps ever on the job, amazes us with his power of organization and his skill in program building.

The General Board at Nashville, Tennessee has given us days of leadership. Staff members have visited our campuses, assisted us in leadership training and given counsel and guidance to our Board, our Summer Activity Commission and our District and Conference staffs.

CAMPS AND INSTITUTES: Christian Adventure Camps have gone beyond our expectation. The past summer brought a decided increase in attendance with the respect of setting up four such camps for the coming summer. This gives untold opportunities for the Intermediate. Youth and adult leaders laugh and sing and play and work together thus finding God in the glories of the out-of-doors.

The Institutes under the leadership of Dean Aschenbrenner, Dean Fedje, and Dean Shellhart continue to deepen the spiritual life of our youth. This week of fellowship and inspiration has become even more meaningful during these strenuous days.

Young Adults find their camp a power house for all the rest of the year.

MISSIONARY EDUCATION is still very much a part of all we do. World Service Sunday is being observed in practically all our churches. As information has been gained, gifts have increased. Fourth Sunday offerings are as follows: 1941—$5658; 1942—$5871; 1943—$7240; 1944—$9541. The Methodist Youth Fund is also an indication of World Friendship emphasis. Additional sessions for children, vacation school units, and units in regular Church School lesson material are being centered around the world needs and its people.

CHURCH SCHOOL ENROLLMENT AND ATTENDANCE is one of the emphases all through the church for the next quadrennium. Many reasons are giv-

YOUTH DIVISION

METHODIST YOUTH FELLOWSHIP

APPRECIATION: May we first extend our sincere appreciation to ministers and laymen of the entire Conference for their whole-hearted support and interest in this vital program for youth and the church. For your understanding of the mind of youth in this time of crisis, for your devotion to training and inspiring the church of tomorrow, we are truly indebted. The Conference Council of the Methodist Youth Fellowship is grateful for the support of the Conference Board of Education on making our program financially possible. The Cabinet has been gracious in making time in the Annual Conference program for Youth Night. At the beginning of the Conference year, we presented a radio drama, "A Voice Said, Go!" on Youth Night at the last Annual Conference.

Then, how we are at loss for words to express our loving gratitude to Miss Pearl E. Sherlock, our Executive Secretary, and to Rev. Harold Shellhart, our Conference Youth Director, who have kept our feet on the ground, our eyes in the future, and our hearts secure in their confidence in us. To. Mrs. E. M. Tilton, our World Friendship Counselor, we are boundlessly grateful, for she has led us through another splendid year enriched with her wholesome attitude towards people of all races and nations.

OUR EMPHASIS: Endeavoring to have a well-rounded program emphasis for the year, we have tried to stress a major activity in each of the four commissions of the Youth Fellowship. In the field of Worship and Evangelism, a Watchnight Service planned by the National Conference, was used in many local groups over the Conference to launch a special Evangelism emphasis in keeping with the National Youth For Christ Crusade. The packets for Watchnight and Youth For Christ Crusade were distributed by our council.

The Methodist Youth Fund has been a major emphasis in the field of World Friendship, with local groups over the entire Conference giving $1174.94 to this missionary program. The great World Friendship banquet at the Conclave in McMinnville climaxed the year with messages from students of several foreign countries, a main address by Reverend John Traechsel, missionary to China who returned on the Gripsholm, and a worship drama all planned by Betty Adkins and Mrs. Tilton.

The Volunteer Service of the Methodist Youth Fellowship was launched in seminar groups and a dedication Communion at the McMinnville Conclave nine youth dedications were made for full-time service, three for one year's service, and ten for summer caravaning. Many dedicated themselves to the work of their local church. The Volunteer Service is something we hope will continue to grow in the future.

Better recreation is certainly a prevalent need and some steps have been taken in a program emphasizing this for the summer, under the leadership of the Conference Commissioner of Recreation.

THE METHODIST STUDENT MOVEMENT, which is a part of the Methodist Youth Fellowship, has made great strides in uniting the work of our Methodist Students in the colleges of Oregon. The fall Conference was held in Eugene with Dr. James Chubb from Nashville, as the main speaker. Miss Leslie Brockelbank was elected to lead the program for the year and has been doing an excellent piece of work.

CONCLAVE: The Conference wide Conclave of the Youth Fellowship held biennially has always been a highlight every two years for our youth. The Conclave this year was held in the new church building at McMinnville in February with 225 choice, delegated youth attending. Reverend John L. Knight was the main speaked. His messages challenged youth with the theme, "Life to Match the Storms." Youth leaders' hearts were strangely warmed by the confidence these eager, sincere youth gave us for the future. As before mentioned, the World Friendship and Volunteer Service emphases were outstanding in the Conference.

en for decreases but our main business is to find the way to increase. Early i the year Mr. William A. Spencer made a study of our enrollment and attendanc by districts as well as on a Conference level. We could easily see the trend o the past ten years and decided something must be done about. We have start ed in the right direction with an increase on each district. The year shows gain of 996 in enrollment and 775 in average attendance. To continue this goo work plans have gone into poster form set up by Walter MacArthur with th hope that each of you will see purpose in **OUR OBJECTIVES:** Realizing th great need of reaching the unreached and holding those we now have. Bisho Baxter, the District Superintendents, and the Board have set before us the fol lowing objectives for the year:

INCREASE

10 percent Church School Enrollment
15 percent Church School Attendance
10 percent Church Worship Services
10 percent Accessions-Confessions of Faith
10 percent World Service Giving.

With your cooperation and earnest endeavor we shall lead even the small child to see the values of Kingdom Business and attain our goals not for the sake of attainment but for the values of life.

Respectuflly submitted,
Pearl E. Sherlock.

CHILDREN'S DIVISION

The Children's Division points with pride to the results obtained from the second annual LABORATORY SCHOOL which was held at Corvallis, July 4 to 11. During the five days of the observation-practice school, practical help was given to workers of the Nursery, Primary, Junior and Intermediate Departments. Miss Mary Skinner of the general Board, Director, Department of Christian Education of Children, was the leader with Miss Pearl Sherlock, Oregon Conference Executive Secretary, dean of the School. Many Churches throughout the Conference report that a real transformation has taken place in their Church Schools as a result of their teachers attending the School. Missionary Education was especially stressed in the Primary, Junior, and Intermediate Departments. The workers enjoyed the close fellowship they had living together in Kappa Kappa Gamma House on the O. S. C. Campus. Many are looking forward to the third Laboratory School this year which will be held at the Forest Grove Methodist Church, June 25 to 30. Herrick Hall Dormitory on Pacific University Campus will house all who will attend, The students are looking forward to the leadership coming from the General Board at Nashville as Miss Emma Jane Kramer and Miss Clarice Bowman will spend the week with us.

The METHODIST WORKSHOP for teachers in the Children's Division held each month at the Manley Community Center in Portland proved of real practical worth to many. Capable leaders in each department assisted the teachers with improved methods of using the lesson materials, possible activities and plans for conducting services of worship for the month. One month Missionary Education was emphasized while the last month was devoted to instruction and review of textbooks for Vacation Church School. Rev. Harold Shellhart conducted a second series leadership training class on "The Teachings of Jesus." Four members obtained credit while many more were in fairly regular attendance.

The mimeographed booklet, "EASTER IN THE CHILDREN'S DIVISION" was sent to pastors throughout the Conference to help enrich the meaning of Easter in the Children's Division.

The Annual Conference reports of last year showed a 20 percent increase in Vacation Church School enrollment over the previous year. Due to the needs of children during wartime and helps given in conducting Vacation Church Schools, this year's report is expected to show a even larger increase. Due to limited transportation, the Executive Secretary conducted several Vacation Church School training centers over the Conference in place of the Conference Director of Children's Work. Miss Sherlock also spent many days with individual Churches helping the Church School leaders with their particular problems.

More effective work could be done in the Children's Division over the Conference if a full time Children's Director could be obtained. The need is great

hat we have accepted. They are saying, "with Christ's life as an example, remember that God is expecting much from us. You who remain at home o your part."

econd: The sixty young adults attending camp, inspired by the urgency ignificance of the year's theme, "The Church is a Mission to the Individual, ommunity, and the World," returned to their local churches resolved to put eme into action.

hird: The efforts and prayers of a number of loyal and devoted workers ade much of this gain possible. The executive Council wishes to express reme gratitude to Miss Pearl E. Sherlock, Executive Secretary, Conference of Education; Rev. Laurance Burdette, 1943 Dean; Rev. Ralph Kleen, 1944 the Revs. Albert Wilson, Walter MacArthur, and Frank Brown, and Ed advisors of the Portland, Cascade East, Cascade South, and Salem Districts.

Miss Ruth Cramer, Conference Secretary, represented the young adults at nference Board of Education meeting and Summer Activities Planning mmission.

Leonard Uppinghouse, Conference President, attending the Conference on hristian Education at Kansas City, was elected young adult representative for e Western Jurisdiction.

Dr. James Chubb made the Conference Rally at Centenary Wilbur Church a emorable occasion by arousing in the one hundred present a larger feeling of ersonal responsibility toward the all inclusive world wide problem of rehabilition.

District Rallies and Summer Camp Booster Meetings have been held at arshfield, Bend, Seaside, Salem, Eugene, and Portland. Districts involved have ade it impossible for any but the Portland District to have regular meetings, ut in spite of this difficulity, Rev. Frank Brown has given the rest of the Conerence a goal to strive for by reporting that in the Cascade South District there an active Young Adult Fellowship in every town over one thousand in population.

One main objective of the Conference Executive Committee has been to prote a feeling of unity throughout the Conference. The young adult paper, YAF" printed quarterly with a mailing list of approximately five hundred has one much to bring us closer together. A representative group at Smith Creek, ugust 8 to 13, 1944, with Rev. Ralph Kleen of Lebanon as Dean, and a faculty cluding Miss Virginia Stafford of Nashville, Rev. John L. Knight of Salem, and ev. Walter MacArthur of Hermiston should complete this approach toward uny and start our fourth year on the road to ever increasing success.

Respectfully submitted,
L. S. Uppinghouse.

CONFERENCE DIRECTOR'S REPORT

Miss Doris Dennison, one of the leaders from the Adult Division of the General Board Staff at Nashville, Tennessee, spent several days in Portland during the Spring of 1944. A one day Conference was held with her in study of possible and advisable social and political action. Similar conferences were held in different sections of the United States and from these we may expect constructive suggestions in the future.

Miss Dennison also met with the volunteer Adult workers of the Portland area for a three day Conference in Portland. This proved to be both stimulating and helpful. Plans were made which will lead to constructive help in the adult work of the local church.

After more than a year of inactivity the Young Adult work of the Salem district has been reorganized into two Sub-districts. The entire Conference now has functioning Young Adult District or Sub-district organizations as well as an effective Conference Young Adult Council.

Plans are being made for a series of Bible Conferences to be held under the auspices of our Board of Education.

The Adult program of our General Board cannot be surpassed by any church. Gradually we are getting it to function thru the proper Conference, Districts and local church channels. We look forward to a further extension of this work during the coming year.

Respectfully submitted,
Edward Terry.

POWER: The new daily devotional guide for youth, "POWER," has won its way into the hearts of hundreds of our youth as a guide for daily thought and prayer. Nearly 1,500 copies have been distributed by our Conference Council in the three quarters that "POWER" has been in publication.

DISTRICT WORK: The three "spread-out" districts of youth work, Salem, East Cascade, and South Cascade, have each made remarkable progress in reaching outlying local churches over their districts. Salem District has sent deputation teams of their youth on the district cabinet to many churches either to enrich their present program, or to start a completely new Youth Fellowship organization. Both of the Cascade Districts have had Sub-district Rallies from which we hear grand reports. The zoning plan in the Portland District has meant development of new leadership and proved helpful for an ongoing program.

The Conference Council has had three main meetings during the year besides some executive committee meetings. Your Conference president represented the Oregon Conference at the meeting of the National Conference of the Methodist Youth Fellowship in Jacksonville, Illinois which has proved a great challenge in seeing ahead the tremendous possibilities in the youth program of the Annual Conference.

Again, may I express a boundless thanks to all who have contributed to the success of our youth program this year. As we plan even greater things, we are strengthened in the confidence that you will continue to help the youth of today to really know for themselves what Christ Above All in their lives can mean to them and to the whole world.

Respectfuily submitted,
Paul Jaquith, President.

CONFERENCE DIRECTOR'S REPORT

This year's experience as Conference Director of youth work has left me with several firm convictions. The first and main one is that the youth of our Churches not only have tremendous latent talents but the courage and ability to achieve great victories when given sufficient challenge, opportunity and guidance. The work of the Conference Council or some of the District or sub-district programs illustrate this. The fact that our own Conference President, Paul Jaquith, is National Worship Chairman in charge of the Youth for Christ program, is another proof of the talent and ability of local youth. I have tried to help at this point through the council meetings and planning conferences.

A second conviction centers in the need for sufficient opportunities to meet local and sub-district groups where pastors, counselors and Church School teachers of youth, as well as youth themselves, can be led in an interpretation and challenge of the purposes and organization of the Methodist Youth Fellowship. The Pastors and Counselors present at the State Conclave in McMinnville spent several profitable hours in discussing these problems. One meeting of the Methodist ministers in Portland also centered on this theme. Some of this type of work has been done by District and sub-district directors and with current travel restrictions, they will continue to carry it on.

It has been a high privilege to work with Oregon youth and represent them on the Board of Education and at the National Conference on Christian Education and at various conference staff meetings.

It has been a soul enriching experience to work in close fellowship with Miss Sherlock and the other members of the Conference Staff, in addition to the youth leaders

Respectfully submitted,
Harold Shellhart.

ADULT DIVISION

YOUNG ADULT FELLOWSHIP

Starting the year's activities with a successful Summer Session at Smith Creek in August, 1943, the Oregon Conference Young Adults have continued a record of healthy progress throughout the year.

This progress, reflected in a 50 percent growth in numbers and a corresponding increase in interest can be attributed to three main factors:

First: Our young adults in the armed forces and the C. P. S. camps, making great sacrifices for what they think is right and just, have thrown out a chal-

raph from North African Letter:

"The work of the Wesley group must continue as we know it will, in every . While we are trying to finish this war, we are going to count on you at home to see to it that this will be the **last war.** We need assurance that ng shall continue, and that our post war world will not be "the same" as before, but will be much better. We are fighting that our children will have to know the fear that many of us will feel. We want everyone to he advantages we have had and more, too. So, while the fight goes on, ople must be making the plans, and we know you shall not fail us. through the years. We discussed the attitude of the college student toward religion and education, toward his church and his youth group. The winter term was a time in which we turned our thoughts to ideas inspired by the Bishops' Crusade. Our series included such topics as "World Mindedness," "World Brotherhood," and "Race Relations." One of the most outstanding services was held jointly with the group from the Westminster House, the Presbyterian-supported student organization on the campus. It was a symposium based on articles in MOTIVE, the student magazine; "The Kind of a World I Want" was the topic for the symposium. These meetings have not only stimulated our thinking, but have increased our fellowship together.

On Sunday mornings a Bible Class of university students, service men, and other young people of student age, was taught by Dr. Robert E. Cushman, professor of religion at the university. The Four Gospels were the topics studied. This was a valuable and inspirational class of the church school.

EXTENSION WORK

Monthly deputation teams to Franklin Church to conduct the regular Sunday morning service of worship;

Four Church School services and discussion groups with the Youth Fellowship of the Eugene Methodist Church;

A program on "Students in our Schools" given for the local W. S. C. S.;

Entertainment of men in the Civilian Public Service Camp at Elkton on weekends;

40 letters written to congressmen as a result of the Bishops' Crusade;

FINANCE

This year the students, themselves, have raised $329.00 by their pledges and special gifts. $60.00 was given to World Outreach, $50.00 of this amount being sent to the Methodist Youth Fund, and $10.00 being sent to the Methodist Student Fellowship Fund, a corollary fund. An amount of $37.50, also, was raised by means of a minstrel show and cookie sale to make possible a Wesley Foundation page in the **Oregana,** the campus annual. $10.00 was secured by student activities for the purchase of church hymnals.

APPRECIATION

The Wesley Foundation group wishes to express appreciation and gratitude to the Wesley Commission, our friends and helpers, to both the student director Mrs. John Worthington, and the Minister, Reverend Mr. Griffith for their leadership and guidance. We also wish to publicly express our appreciation to First Church, Eugene for the backing accorded by them to the Foundation, as well as to all our conference and campus friends notably Dr. Robert E. Cushman, professor of religion at the University.

On this year's war time campus, we have acknowledged and tried to establish means of fulfilling the desire for Christian contacts and fellowship.

WESLEY FOUNDATION UNIVERSITY OF OREGON
EUGENE, OREGON

The Wesley Foundation at the University of Oregon has enjoyed a year many changes and new opportunities. We have had a new minister, Reverend O. Griffith, who has been a devoted friend and advisor. Our new campus hom Wesley House, has afforded an excellent opportunity for student work directly the campus. This house, located at 1258 Kincaid Street was obtained in the ear fall of 1943, and has been leased for five years. Slowly throughout the year it h become comfortably furnished, the furnishings including a piano and a radi victrola combination. Although neither recreational, office, kitchen, or libra equipment is complete, Wesley House is usable. It has been used as a "Come-I house, and students have dropped in at any time for recreation or counsellin rest or study. Saturday night is always party night, whether it be an inform openhouse or organized group recreation. Because of our new house and its fi location, we feel that we have made many contacts and have been able to serve more varied group of students than would have been possible without it.

Our Sunday evening devotional services have been held at the church wi only a few exceptions, when we met at Wesley House and served dinner befo the meeting. We have felt that in this way we have strengthened the tie b tween the campus and church activities.

During the year our group has been increased by the service men station on this campus. There have been Meteorology, Language and Area, Engineerin Pre-Medical and Pre-Dental Army Specialized Training Units. These men ha not only entered into our Wesley activities, but have also attended church large numbers, taught Church School classes, and offered their services in t church choir.

Soon after the beginning of the college year in the fall, each Methodist pre ference student was contacted and invited to the Wesley Foundation Open Hous on Church Night. WORSHIP

This year we have stressed personal worship in conjunction with and in ad dition to our regular Sunday evening devotional services. Small groups and indi viduals have met with the director weekly for prayer and meditation. The book let, "Power," has been promoted, especially, and has been used daily. We hav felt that there has been a need among all students for this personal worship ex perience.

STUDY

Our Sunday evening forums have usually been held at the church. In th fall we pursued the question, "Who Are We?." We studied the history of th Wesley Foundation, and learned of the aims and vision that has sustained i

The Inter-Faith Council meets monthly to consider the religious life on the Willamette campus.

PRESIDENT'S REPORT

In the report to the Conference on Willamette University last year, I stressed the importance of maintaining a two-fold program for the duration of the war: first, provide definite and specific training to meet immediate needs of our country: and second, continue the broad educational program which has characterized the University for a century. I am happy to be able to report how well the University has carried on this program. The specific training at Willamette is that which is being done in the V-12 College program of the United States Navy. For a full year of three semesters, Willamette has served the Navy in educating pre-medical and basic officer candidates for the Navy. The V-12 program has maintained an enrollment of 258 apprentice seamen on the campus taking the basic college work to qualify them as Medical, Deck or Aviation Officers. These men are in every sense college students. They are enrolled in the regular classes with civilian students, participate in campus activities, hold class and student body offices, and represent the University in college affairs.

Willamette University

SALEM, OREGON

Willamette University is now entering upon a second year in which the student body is composed of both civilians and Naval Trainees. The remarkable degree to which these two groups have become integrated in all phases of campus life has enabled Willamette to continue a college program in keeping with its century-old standards and traditions. The University program aims at sound intellectual training with a proper balance between academic, athletic, social, and religious activities.

Twenty-six denominations are represented in the student body this year, Methodism naturally predominating. The religious life on the campus consists chiefly of the activity of eight groups: Y.W.C.A., Y.M.C.A., The Westminster Fellowship (Presbyterian), The Catholic Club, The Inter-Varsity Fellowship (Interdenominational), The Jason Lee Club (Methodist), The Leslie Fellowship (Methodist), and University Vespers (Methodist). Representatives from these eight groups sit on the Inter-Faith Council, the central religious organization on the campus. In addition to the Inter-Faith Council, the Methodist groups are also united by the Methodist Student Council, designed to promote the interest of Methodist students on the campus, and to represent Willamette Methodists in the Oregon Methodist Student Movement.

All religious activity on the campus is under the general supervision of Rev. John L. Knight, Counsellor on Religious Life. The Counsellor also has four hours each day scheduled for private counselling with students. This personal work gives the religious life at Willamette the proper balance which any effective religious program requires.

Willamette conducts a weekly worship service in Waller Chapel. Among guest speakers this year were: Dr. Guy Goodsell, Rev. Owen Beadles, Rev. L. Griffith, Rev. Daniel Taylor, Rev. Dudley Strain, Rev. Wesley Nicholson, Dr. Harold Ehrensperger, and Rabbi Raphael Levine. To supplement Waller Chapel "The Old Historic Temple" of Willamette, there has been erected this year on the top floor of Waller Hall what is known to students as "The Little Chapel." Erected by student interest and student funds, it is designed for the purpose of small worship meetings and to afford a place for the private prayer and meditation of Willamette students.

college calendar required of all institutions participating in the Navy College program, this conflict could not be avoided. At the Board meeting which will be held on Saturday, June 24, the postwar plans of Willamette as presented by the president, will be considered. I think it is not a breach of confidence to state in this meeting the proposals which the Board of Trustees will have before it. The president of the University has made these recommendations:

(1) That Willamette be maintained as a Christian college of selective limited enrollment not to exceed 800 students and that continued emphasis be placed on the broad cultural liberal program of education.

(2) That immediate steps be taken to provide satisfactory adequate housing for the men students of the campus, and that a residence hall for men be constructed as soon as war conditions will permit.

(3) That the University provide as soon as possible an enlarged health service program with adequate infirmary facilities for the proper attention to the health of our students.

(4) That a program be adopted to raise the general level of faculty salaries.

(5) That provision be made to enlarge the campus by moving the athletic field to an off-campus location.

I want to take this occasion to thank the many friends of the University for their assistance in the Centennial War Fund of the University. At this writing, the fund amounts to $45,000 and we hope to have the $50,000 subscribed by Commencement day.

It has been a pleasure to serve Willamette University and be associated with the loyal friends of Willamette. I want to pay my particular tribute to the loyal, effective service of members of the Board of Trustees, Dr. J. C. Harrison, a Trustee elected by this Conference, has been tireless in his devotion and service to the University as President of the Board, and no college president could have had greater cooperation and consideration than I have enjoyed from Dr. Harrison and the other Board members.

Respectfully submitted,
G. Herbert Smith, President.

INSTITUTE SITES COMMISSION

To date the money raised from all sources is $27,508.33 as follows:

Cascade District	$ 2,935.45	
Salem District	16,883.38	plus $2000 in good pledges)
Portland District	2,189.50	
Carrier Estate	5,500.00	
Total	$27,508.33	
	6,000.00	paid for Barview property
	$21,508.00	balance on hand:
		18,000 U.S. Bond "G"
		$ 3,508 Bank of Albany

The distribution of the above funds among the three institute sites according to Conference action and Board of Education action is explained in resolution submitted to Conference for authority to continue the projects.

To complete the three projects in a manner that will please both God and Youth, and efficiently promote the Kingdom of God in Oregon, we need at least $25,000 more. The churches are asked to raise $7,000 this fall; faithful Methodists, who would like to store some of their goods in heaven instead of building larger barns here, are expected to give $15,000 in sums from $1000 to $5000; and an uncertain amount from the Carrier Estate will become available for matching these funds.

The $25,000 should be raised, or pledged, this year while good financial times are here; if conditions make it feasible the camps should be built next year; and then all who have given time and money to provide workable camps should redouble their efforts to put on character building programs that we are just beginning to dream.

Respectfully submitted,
F. A. Magruder, Chairman.

Willamette has been unusually fortunate in being able to serve a program specific training in the war effort which fits in so satisfactorily with the br cultural educational program to which the University is dedicated. The N program has required a minimum of adjustment in educational philosophy. Th is far greater emphasis on mathematics and science, but the program still ma a place for the study of language, history and psychology. In the recent me ing of college administrative officers with the Navy officials in New York, miral Jacobs, chief of the Bureau of Naval Personnel, commented on the g judgment which had been exercised in making the Navy program a college p gram with emphasis on scholastic and academic attainments. In the V-12, military requisites are at a minimum, with only one hour a week of milit drill. The Navy has announced that the program will continue indefinitely long as the need to train officer candidates continues, and definite plans h been announced for the next two semesters.

In the program of broad cultural education, Willamette has not only ma tained all the traditional opportunities on the campus, but has introduced an novation which was highly successful. The Institute of American History Civilization presented on the campus last fall had for its purpose the broaden of knowledge of our own history and the factors in the building of Ameri Civilization as a basis of intelligent patriotism. The principal guest lectu was a noted historian well known to Methodists, Dr. William Warren Sweet, p fessor of Church History at the University of Chicago. In addition to Dr. Swe general lectures on American History, he gave a series on the Contributions the Church to American Civilization, which gave a new insight into the imp tance of the Christian church in the development of America. Dr. Sweet's g eral lectures were heard by all the students registered in the summer semes

One year ago the Conference answered Willamette's request for funds to pand and vitalize the program of religious work on the campus. The Colle Day collection and appropriation of the Conference have made it possible Willamette to take significant action along this line. Last November Revere John L. Knight, whom many of you have now met, was brought to the camp to teach courses in religion, act as Counsellor of Religious Life, and repres the University in the churches of the Conference. The year's work has been rich justification of this action. Reverend Knight has made a definite place himself on the Willamette campus. His classes in religion are well attended. is sought out by students for counselling. Mr. Knight had been on the camp only a brief time when he was officially designated as the civilian chaplain the Navy program. In addition to his campus service, Reverend Knight has peared in regular services in thirty-one churches of the Conference, has serv as discussion leader in fourteen youth groups, has been featured speaker in n conferences or rallies, and has been called on to speak to eighteen church community functions. Mr. Knight will attend the three Institutes this summ to be of service to the youth in the Institutes. In all these experiences, Knight's expenses have been met by the University from the funds made ava able for religious work.

In addition to Mr. Knight's services, Wiliamette has added to the progr and equipment for a wider, more effective religious emphasis on the campus.

When the University is able to make such a satisfactory report on its ste ardship, it is a bit distressing to report that the Conference did not give as go cooperation in the College Day presentation of the University as was the case year ago. Many churches did not again present the cause of our Methodist C lege in Oregon, and in the face of greater service on the part of the Universi the College Day offerings will show a sizeable decrease. This trend is in t wrong direction and I earnestly request the continued support of our Conferen for Willamette. The University is worthy of your best consideration, and Willamette is to maintain itself as an outstanding Christian college, it mu have the prayers, the good will, and the financial support of the Oregon Confe ence. In the face of the financial problems confronting endowed private insti tions, the future will depend on many regular gifts for the current annual bu get. In addition to the support now available, if the Methodists of Oregon wou find 100 people who could give Willamette $10.00 a month, another 200 w would contribute $5.00 per month, and 500 who could give $1.00 per month i definitely as a regular part of their Christian benevolences, the University wou begin to receive the sum which will be necessary to carry on a great educationa program worthy of our church. I strongly recommend this for your consider tion and assistance.

It is unfortunate the Board of Trustees meeting and Commencement happe to conflict with the Annual Conference this year. Since we are operating on t

INSTITUTE SITES COMMISSION

1944

1. The 1941 Session of the Oregon Annual Conference authorized the Institute Sites Commission to raise $13,000.00 for the purchase of land at Barview, and the development of Camp Sites at Barview, Suttle Lake and Little River.

2. We are pleased to report that $14,008.33 has been raised, the Barview tract purchased, and the balance is in bank to their credit, as follows:

Little River	$1,841.67
Barview	2,483.33
Suttle Lake	3,683.33
	$8,008.33

3. War conditions have made impossible the beginning of the building and improvement program, but plans are in preparation for the development of these Camps in a manner which will serve the total life of the church for the next Century.

4. The Conference Board of Education has assigned its share of the Sarah E. Carrier bequest to this project—a gift which will exceed $10,000.00—on the following conditions:

(a) 10 percent to Little River, to be matched dollar for dollar, from new sources.

(b) 20 percent to Suttle Lake, to be matched dollar for dollar, from new sources.

(c) 70 percent to Barview, to be matched two dollars from new sources for each dollar from the Carrier Estate.

It is further provided that some appropriate landmark or building shall be named in honor of Mrs. Carrier, on each of the three Sites—the central lodge or house at Barview.

5. The amazing generosity of Dr. Frank A. Magruder and Wesley J. Miller is responsible for the successful achievement of the $13,000.00 goal. Now these men offer additional gifts of $5,000.00 each—$10,000.00—to assist Barview in meeting the two for one challenge of the Carrier gift. $8,000.00 of this gift is already in bank to our credit.

6. The fulfillment of these challenges will give each Camp the following cash resources, for immediately that war conditions permit, exclusive of present property values:

Little River:

From the $13,000 Fund	$1,841.67	
From the Carrier Fund (Est.)	1,000.00	
From the Further Campaign	1,000.00	$ 3,841.67

Suttle Lake:

From the $13,000 Fund	$3,683.33

From the Carrier Fund (Est.)	2,000.00	$ 8,383.33
From the Further Campaign	2,000.00	$ 8,383.33

Barview:

From the $13,000 Fund	$ 2,483.33	
From the Carrier Fund (Est.)	7,000.00	
From W. J. Miller-F. A. Magruder	10,000.00	
From the Further Campaign	4,000.00	$23,483.33
Total of present goals		$35,708.33

7. There is lacking only $7,000.00 for the achievement of these goals:

Little River lacks	$1,000.00	
Suttle Lake lacks	2,000.00	
Barview lacks	4,000.00	$ 7,000.00

We request authorization from the Oregon Annual Conference to continue the Campaign until a minimum of $7,000.00 is in hand for matching the Carrier funds.

concern for others. If there can be a real deepening of the prayer life of the church we will win others for Christ. To this end let prayer groups be established among ministers and in the churches. Where possible let a prayer room be set aside in every church where people may come to pray at any time.

This Conference year let us do the work of evangelism using every kind of method that love can devise: Church School Evangelism, Evangelistic Meetings, Personal, pastoral home visitation and preaching evangelism, becoming all things to all men that by all means we may save some

We suggest that the evangelistic goals of the Board of Education: 10 percent increase in Church School Enrollment, 15 percent increase in Church School Attendance, 10 percent increase in Church Worship Services, 10 percent increase in members received on Confession of Faith be set as minimum goals by each Church. If we are to win an average of 14 members per church by Confession of Faith in 1946 we need to practice now.

We recommend that spiritual retreats and Schools of Evangelism be held in sub-district groups for both ministers and laymen.

To reach the great unreached group of our cities and the unchurched areas of our country, we recommend that deputation teams of laymen hold services in these areas.

We recommend that steps for radio evangelism of a Conference-wide nature be taken.

We recommend that more opportunities for decisions for Christ be given at the close of the service on Sunday mornings.

We request the Conference to grant a sum of $500 to help implement the program of the Board of Evangelism this year.

We nominate as Conference Secretary of Evangelism, Ralph G. Kleen.

Christian evangelism is Methodism's supreme opportunity to help Christ save this broken world. The new life and the better way which Christ gives offer to mankind the only sure hope of spiritual renewal

Against the black background of man's sin and hate we see with increasing clarity that only the radiant evangel of the Son of God can redeem this troubled, tortured world. All other systems are divisive; Christ's alone unites and saves.

E. J. Aschenbrenner, Chairman.

TEMPERANCE

We wish to endorse the action of the 1944 General Conference of The Methodist Church on its resolution of the Temperance Question and recommend it be given wide publicity in our churches. We continue to appreciate the work of our Methodist Board of Temperance in Washington, D. C., the Anti-Liquor League of Oregon and the W. C. T. U.

Further—we declare our opposition to the beverage liquor traffic in all forms and declare our endorsement of a strong and effective educational program, not merely against excessive use, but for total abstinence.

The Legislature, at its last session, amended our liquor law by putting the exclusive sale of all fortified wine (wine containing more than 14 per cent alcohol) in the state liquor stores. We favor this enactment because it will help protect our youth, by making this wine harder for them to get. The liquor interest have filed a petition placing this act on the ballot in the November election. We declare our opposition to this referendum and shall do all we can to defeat it by voting, and urging others to vote, to uphold the act.

Today, the extent of assistance to our aged people depends upon the amount of liquor sold from which revenue is derived. We declare our opposition to this law and pledge ourselves to do all we can to have the next legislature separate Old-Age Assistance from liquor revenue.

We urge all Methodists, everywhere, to take a positive and firm stand against the liquor traffic in our state. Let us help make the General Conference resolution a reality that "Against this evil Methodists will continue to stand with sleepless vigilance."

8. We recommend that this Campaign be conducted cooperatively, under supervision of the Institute Sites Commission, and that pledge forms and presentations shall clearly allow for the designation of gifts to any one or more the three Camps in the program.

9. We further request authorization to engage architects, lay out grounds, begin construction, under properly constituted committees, as soon as conditions permit, provided:

(a) Such plans and proceedings shall have the aproval of the Institute Sites Commission, and

(b) That under no circumstances shall obligations be incurred, nor contracts let, by any Camp, until there is cash available to the credit of such Camp sufficient to meet all costs incident thereto.

10. **BASIC POLICIES**

In order to assure the Oregon Annual Conference now, and lay a sound basis for the future protection of these Camps. we propose the following Basic Policies for the guidance of their administration:

I The Camps are to be developed, maintained and administered for the whole life of the whole church, ministering to all ages and all needs religious, inspiration, recreation, fellowship and study.

II The respective administrative boards, commissions, or committees shall be responsible to the Oregon Annual Conference Board of Education which, in turn, is amenable to the Oregon Annual Conference.

III All titles to property, deeds or leases, shall be vested in the Oregon Annual Conference Board of Trustees.

IV The Camps shall be open to Methodist church activities, such as:
(1) Junior Camps.
(2) Intermediate Camps.
(3) Youth Fellowship Camps.
(4) College and Wesley Foundation Conferences
(5) Young Adult Camps.
(6) Adult Conference, Schools, etc.
(7) Annual Conference, District, and Local Church uses.
(8) Other Religious Groups, schedules permitting.

V Little River and Suttle Lake shall be developed primarily for Summer Time activities. Barview shall be made available for use at all seasons of the year. Each of the Camps shall be open to the entire Conference, without District or other restriction.

VI Maintenance fees, board and lodgings costs, etc., may be required as sound business management warrants.

VII Always, and without exception, chaperonage and competant supervision shall be required for the maintenance of decent behavior, Christian conduct and wholesome standards of living.

VIII Schedules shall be administered in a manner which will meet the needs of the total life of the church, avoiding favors, preferences or monopolies.

BOARD OF EVANGELISM

The Board of Evangelism finds itself confronted by areas of human need both vividly apparent and compelling and has the conviction that the time is here for a Conference-wide simultaneous effort in the field of evangelism. The great objective shall be to revitalize the church itself, to win people to Christ and to establish discipleship in the Church.

We request the setting aside of 1946 for a Conference-wide evangelistic effort in keeping with the action of the General Conference. To do this effectively we need to do certain things now:

We urge renewed emphasis on the prayer life of preachers and people. Many, if they pray at all, are living on the lowest levels of prayer. We need more of that impassioned intercession which has characterized every revival of religion or that highest prayer which is neither petition nor intercession but an exposure of the soul to God that purifies and exalts personality, and intensifies

clergy to freedom of speech in the interest of an adequate public opinion and an active private conscience. To this end we recommend that churches participate freely in forums and public discussion looking toward the well-being of the state and the City of God.

4. We pray for a new world, an order uniting all nations, for human betterment; a world where strong nations shall neither dominate nor enslave small nations and under-privileged people; united in common defence and dedicated to unity and the well-being of all, to the last man.

5. We recommend that programs of evangelism and missions give great attention to the conversion of the attitudes of Christians, to break down racial fears and hostilities, to meliorate hate, to create a love for "the strangers within our gates," negros, Mexicans, Jews, or others who are frequently "Jim-Crowded" out of our fellowship.

As never before "Let the church be the church." If there is to be a classless society, a Brotherhood of Man and a City of God, the church must re-incarnate Christ and live with the folks.

REPORT OF CONFERENCE PRESIDENT WOMAN'S SOCIETY OF CHRISTIAN SERVICE

As we reach the end of the first quadrennium of our Woman's Society of Christian Service in Oregon Conference, it is with interest that we glance back over the years. Much has been accomplished but we can see many needs that have not been met.

These four years seem to fall into 2 divisions. The first two years were spent largely in finding ourselves in this new organization and constructing a foundation upon which we might build the permanent structure of our Woman's Society of Christian Service. The last two years we have been able to start building upon that foundation.

Because of the great desire of most of our Methodist women to be charter members of the Woman's Society of Christian Service, our membership the first year was 8302. The second year it dropped to 6800 which was more nearly our working strength. We have gradually gained from that low figure to 7418 members this last year.

The local societies have had difficulty keeping the offices filled and attendance at regular meetings up to previous standards because so many of our women are working outside the home these days. This same condition has helped in raising our finances because our women have had more money. This has been a very fine year financially. Our conference treasurer sent to the Division treasurer, $20,918, which is $2612 more than last year and some $3000 above our pledge. Over and above this amount we have sent $300 to Bennett College for our scholarship girl, Blanche Graves, and $142.20 for migrant work through the Oregon Council of Churches. We have published an Annual Report and our Conference Bulletin, both of which have had to be subsidized from our treasury.

Outstanding among our activities this year was the entertainment of the Jurisdiction Woman's Society of Christian Service meeting in First Church, Portland in February. All six Oregon Conference delegates were able to attend.

Since the Seminar on Christian Social Relations and Local Church Activities is being held in Denver this year, we are very happy to send our secretary of this department, Mrs. Alice Chappell, to this Seminar. Because of this opportunity, we feel sure this department will go forward by leaps and bounds next year.

Two new projects are finding their way into our interests just now. Miss Evelyn deVries has gone to South Africa as our representative and Oregon Conference has assumed her full support. It is with very great personal interest that we follow her to Africa in our prayers and thoughts and best wishes. She is a fine, capable, Christian girl and will be a great addition to the missionary personnel in South Africa.

Our second project is our Conference Summer School to be held August 27 to September 2, at Smith Creek Camp with Mrs. Philip Clapp as dean. We are most grateful to the Conference Board of Education for including us in their summer

RESOLUTION ON WORLD PEACE

World War II., the most destructive in human history, is being fought. An other world war, more destructive, will be fought unless peace is based upo Christian principles of justice, the brotherhood of men and the Fatherhood o God. Unless substantial unity, acceptable to all nations and races, is attaine there will continue to be wars ending at last in military despotism over all th earth.

We commend the principles of peace set forth by various faiths and denom inations and recommend continued emphasis upon these principles which call fo a world organization, limitation of armament, a world court, protection of min orities, and access to raw materials for all nations.

Whereas various leaders of the United Nations have expressed themselves i favor of an international organization:

Whereas our General Conference has said; "The time is at hand when th church must rise in its might and demand an international organization whic will make another war impossible:"

Whereas various leaders of our nation have said that now is the time to or ganize the nations for world peace:

Therefore be it resolved by the Oregon Annual Conference of the Methodis Church that:

1. We urge the pastors and members of our church to study this problem in the light of the Holy Scriptures and the Will of God for this modern world:

2. That we commend our Bishops for their leadership in the Crusade for a World Wide Peace:

3. That we commend our national leaders in their efforts to secure World Wide cooperation of the Nations:

4. That we urge our educational leaders to promote the ideals of Christian brotherhood and good will among the nations:

5. That we urge the re-establishment of the World Court to decide matters between nations and that all the United Nations shall be obligated to support the decisions of the Court: and

6. That we urge the establishment of a World Council with power to resist any military agression of one nation against another and to enforce the decisions of the Court.

Respectfully submitted,

Earl B. Cotton, Secretary.

CHRISTIAN CITIZENSHIP

Realizing the supreme importance of Christian Citizenship in these days when rebellion rocks the world we assert that now as never before "The Church must be the Church." The church must be the church not only to comfort and inspire persons as a foil to protect them from a cruel world, but to fortify them as soldiers of the cross to purge and redeem a world. The church of today must be an eighth century prophet in its utter condemnation of evil, but a Jesus the Christ in its vision of faith and love. Today, as in Jesus' day, the church must support man's faith in government, in himself, and in God. To the church Jesus said "ye are the salt of the earth," and men and nations are seeking that salt today.

To us as a church the supreme value of man is man and mankind integrated as brotherhood. The government supreme is the Kingdom of God. And God is creator and lord of life.

In the present crisis we declare our judgment in as follows.

1. We believe that God has made us all of one blood, and that we achieve speedily racial tolerance and appreciation of our potential equality.

2. We believe in economic as well as political democracy. We condemn injustice in owner and workingman alike. We favor freedom of enterprise including the right to form cooperative enterprise whenever and wherever such development is desirable and merited by the parties concerned.

3. We believe in the prophetic church and defend the right of laymen and

(c) By organizing societies of "Methodist Men" and planning institutes and conferences of lay leaders of the churches;

(d) By setting aside a special Sunday in late February as Laymen's Day;

That laymen and pastors stress personal Evangelism.

That the educational program of the church be emphasized:

(a) By promoting the circulation of **The Christian Advocate, The Methodist Layman, World Outlook** and other church literature;

(b) By supporting Willamette University and the Wesley Foundations at Eugene and Corvallis;

(c) By keeping before Methodists the evils of alcohol and narcotics through preaching and by teaching in the church school;

That sentiment be created for an increased support of World Service and Conference Benevolence giving comparable to last year.

That the membership be educated to an understanding of the principles Christian Stewardship—Time, Talents, Possessions and Life.

That payment of $13,000 toward the Institute sites be completed by December 31, 1943.

The Board of Lay Activities cannot claim responsibilitiy for the accomplishments and advances made by the churches of the conference in the above objectives during 1943-44 but we do rejoice with you in these achievements. Our concern is that laymen may be encouraged and trained to be more useful in making the Methodist Church truly a Worshipping Church, an Evangelistic Church, a Fellowship Church, an Evangelistic Church, a Stewardship Church and a Missionary Church.

The attention of the Annual Conference is called to the following legislation on lay activities by the 1944 General Conference:

1. The fourth Sunday in February is officially designated as "Laymen's Day."
2. Duties of lay leaders are more clearly defined.
3. The number of associate district lay leaders is changed from two to **not less than two nor more than four.**
4. Men's work is stressed and the organization "Methodist Men" is officially approved for this purpose.
5. Special emphasis is placed on stewardship cultivation, education and promotion for the quadrennium. The official Board is required to elect a stewardship Committee for the local church for this purpose.

The Board of Lay Activities joins wholeheartedly in promoting "The Crusade for Christ" which the General Conference has approved for this quadrennium.

The full program of the Oregon Conference Board of Lay Activitis will be decided at the fall meeting of the Board after the General Board of Lay Activities has had an opportunity to implement the General legislation.

In the meantime, be assured that the conference lay leader and the Board of Lay Activities of the Oregon Conference desire to cooperate fully with the pastors and the church lay leaders in promoting all the lay activities of the official boards and the churches and to help extend the Christian social order.

Edward L. Clark,
Conference Lay Leader.

HISTORICAL SOCIETY

On January 16, 1944, I sent to all church officials, pastors, retired ministers and widows of retired ministers and some key laymen in the Portland area the following letter:

The Western Jurisdictional Conference named Willamette University as an official Depository of historical documents, books, old Bibles, Hymnals, and Conference Journals and Minutes. For 25 years I have been chairman of the Historical Society of the Oregon Conference. Before closing my work as such I am very desirous of having **complete files** and **duplicates of all Journals** and **Conference Minutes** of the Oregon, Puget Sound, Columbia River, Pacific Northwest, Idaho, German, and Norwegian-Danish Conferences—together with old Disci-

camp program. This school will be accredited and Miss Oscie Sanders of the Division office will be on our faculty. We are happy to welcome Mrs. Clarence Meeker, a former field worker for the Woman's Division of Christian Service into our state. She also, will be on the faculty.

Our infant project is the complete organization of our districts. This will not be completed for several months. This will result in a closer contact between the local societies and the district and conference organizations. With this organization completed, we hope to reach and help the smaller societies.

This has been a most interesting four years. There is still much to be done. Since the term of office is limited to four years in our Conference Woman's Society of Christian Service, there will be several new officers to start the new quadrennium. New leadership will bring with it new plans, new methods and new interest. May I, at this time, express my personal gratitude for the marvelous cooperation of the women of the Woman's Society of Christian service groups in the local societies, the pastors of the Methodist churches in Oregon Conference, and all those who contributed to the success achieved in the Oregon Conference Woman's Society of Christian Service during this quadrennium.

Mrs. J. W. Bunch,
Conference President.

REPORT OF THE CONFERENCE LAY LEADER

The Oregon Conference Board of Lay Activities adopted the following objectives for the conference year 1943-44:

1. That the lay responsibility be strengthened:
   (a) By giving the lay leader a larger place in his local church;
   (b) By using lay speakers to conduct services in churches without pastors;

REPORT OF THE COMMITTEE ON PERIODICALS AND PUBLICATIONS

1944

We heartily commend and are sincerely thankful for the very efficient work of our Publishing House officials. Especially do we wish to express our appreciation to our local branch that has carried on so effectively under most trying circumstances.

It is a sincere and genuine pleasure to see our Advocate on an ever increasing number in our church homes.

We urge our pastors to continue to urge the use of Methodist literature for our Sunday Schools and general church work.

We have made good progress, let us not become weary in our efforts but continue until we have 100 percent of our schools using the literature of Methodism.

REPORT OF THE RESOLUTIONS COMMITTEE

We, the members of the Oregon Annual Conference of The Methodist Church, in its Ninety-Second session at the First Methodist Church, Portland, Oregon, do hereby express our gratitude for the many kindnesses extended to us during this session.

With deepest sincerity, we express our appreciation of our own General Superintendent, Bishop Bruce R. Baxter, his spiritual leadership and true understanding, and his fine devotional lift in his morning messages. His efficient administration and his Christian persoality are a great blessing not only to the Portland Area, but to the entire Church. We respectfully request the Episcopal Committee of the Western Jurisdiction Conference that our present Episcopal leadership be continued.

To our faithful District Superintendents, we are grateful for their patient and consecrated ministry.

To our faithful Conference Secretaries and workers of the Treasury and Statisticians staffs.

We desire to express our appreciation to Dr. James Brett Kenna for his moving and challenging message on "The Negro in Song and Story."

We especially appreciate the wonderful spirit and talent of William Robinson Boone and Mrs. John Showalter, conference organists.

We wish to extend our thanks to First Church, and to our pastor host, Dr. Leslie B. Logan to Portland Methodist, and to all others who have helped to contribute to the success of our Conference.

We also appreciate the kind courtesy of Chief of Police, Harry Miles, for the special parking privilege extended.

In these days we are very conscious that every privilege and blessing we enjoy is truly bought with a price. Someone has paid for it. Therefore, we go to our homes feeling we must serve our Master and fellow men with greater service and love.

REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

The Conference has real reason to rejoice in the record of the past year in the contributions of our Churches to the Benevolences. We are advised by our

plines, Bibles, Hymnals, and such other historic material about Churches a Circuits—as may be discovered in homes and churches.

The new Library Building at Willamette University has a specially desi ed fire-proof room for such historic treasures. Will not every Minister make equate announcements from pulpit, in church bulletin, and in various gatheri and awaken a real interest in this important quest for the benefit of future h torians and send all such material direct to Mr. Robinson Spencer, Librari Willamette University, Salem, Oregon. Write name of donor on documents a give a brief statement of the hereditory ownership of such material. Churc in the Oregon Country will be celebrating various anniversaries. These do ments on file in a well known center will be accessible and of great service. **original** manuscripts cannot be secured then send a typed copy for preservati Secure from **retired** ministers and widows all Conference Journals possible.

I am hoping each District Superintendent in the Area may be able to br the subject before each Quarterly Conference and so help the Pastors. We o it to our successors to carry out what I feel is a sacred trust!

Thank you sincerely,
W. W. Youngson,
Chairman Historical Society.

I am happy to announce that the selected sermons of the late Bishop Char Bayard Mitchell are coming to me as his "Son in the Gospel." In due time will catalogue them and place them in our historical Library Room—a sacr trust from one of the leaders of World Methodism.

The material that has come is too numerous to be tabulated. Dr. Walt Skipworth has contributed valuable articles showing the far reaching influen of the preaching of Bishop William Taylor in the Oregon Conference on the liv of John G. Tate, Lizzie McNeil, Hiram P. Webb, E. A. Shoreland, T. L. Sails, a T. L. Jones whereby our Conference earned a worthy name and took a valuab part in Bishop Taylor's African Mission. Also an article telling of his finding Richmond, Oregon, of an old woman—the last survivor of the 18 children—wh sailed on the "Lausanne," October 9, 1840, as a part of Jason Lee's "Great R inforcement."

Former Governor Oswald West presented valuable sketches of old Sale and Oregon characters, directly or indirectly, politically or religiously, connecte with Oregon Methodism and Willamette University. He also gave me valuab information which I have made as "Foot Notes" in my copy of "Chronicles o Willamette" by Dr. Robert Moulton Gatke, which I will present to our Histor Library Collection.

Dr. H. S. Shangle has fulfilled his promise and has presented the very valu able material collected through the years covering the history of the work o the former Methodist Episcopal Church, South, in this Northwest Country.

On my recent visit East Miss Ella May Carnahan, an historic name in Pitts burg Methodism and World Missions, gave me an old Hymnal of her father published—words only—in 1878.

Mrs. F. A. Schumann, Dr. Norman McCay, Dr. George F. Hopkins, Dr. Georg A. Landen, Brother E. J. Traglio, Mrs. E. A. Niblin, Mrs. Oliver P. Miller, Mrs Mary R. Gebhart, Mrs. F. H. Luecke, Rev. John W. Warrell, Dr. Thomas D Yarnes and others have made presentations of historic interest and personal be quests of family associations. In all cases our Willamette University Librarian Mr. Robinson Spencer, has made due acknowledgement.

For more than a quarter of a century I have been President of the Historica Society of the Oregon Conference. I have most precious memories of my associ ations with Dr. John Parsons and Dr. Walton Skipworth. They were ever devot edly interested in gathering material, arranging historical celebrations of the life and work of Jason Lee and the "Pioneers" and arranging for gatherings at Champoeg for epochal hours.

With great reluctance I now surrender my Chairmanship and membership in the Society. I have loved the work. I have learned much. I hope future stu dents and historians will do better work because of what our generation has done. Of course I will always be interested.

"And David said to Solomon: "My Son it was in my mind to build. Now, be hold, I have prepared for thee and thou mayest add thereto. Arise therefore, and be doing, and the Lord be with thee."

William Wallace Youngson,
Chairman Historical Society.

7. The amount of $57,500 from Conference Benevolences and the World Service shall be allocated to the three districts on the ratio of 38 percent to the Portland District, 38 per cent to the Salem District and 26 percent to the Cascade District.

8. We recommend continuance of the plan of the past Conference year for supporting the District Superintendents, which calls for an apportionment to each charge equal to 8 percent of the pastor's cash salary. This money shall be received and banked by the Annual Conference Treasurer, and distributed by him as follows: 35 percent to the Portland District, 33 percent to the Salem District, and 32 percent to the Cascade District. We recommend that an amount not to exceed $600 of the District Superintendent's annual income be regarded as house rent.

We further recommend that the Conference Treasurer be authorized to pay the District Superintendents the following minimum salaries each month, beginning July 1, 1944: Portland District, $350.00, 35 percent; Salem District, $330.00, 33 percent; Cascade District, $320.00, 32 percent.

We request that the Conference Treasurer be authorized to borrow funds in order to maintain this salary schedule, which loan shall be a first claim against the District Superintendent's Fund until repaid.

9. We designate the United States National Bank of Portland, and/or the First National Bank of Portland, and/or any of their branch banks within the State of Oregon as depositories for Conference Funds.

10. The chairman of each Conference Benevolence institution or cause desiring to be considered by this Commission for inclusion in the Annual Conference Benevolence Budget, shall be required to send to the Secretary of the Conference Commission on World Service and Finance, eleven copies of the detailed proposed budget of his institution or cause, at least one month in advance of each Annual Conference, the same being for distribution to each member of the Commission to allow ample time to become familiar with the various budgets before Conference convenes. Report on the current year's expenditures is also required.

11. The First Sunday in May has been designated as College Day throughout the connection. Your Commission recommends that this be known as Willamette University Sunday in the Oregon Conference, and at this time the cause of the University be presented in each church and a special offering taken for the school. This shall be in addition to the grant in the budget.

12. Your Commission reports that persons holding Conference funds are bonded in the following manner; Conference Treasurer, $10,000; Conference Claimants Board Treasurer, $5000; Conference Claimants Permanent Fund Treasurer, $5000. We are advised that the Conference Treasurer of the Woman's Society of Christian Service is included in a blanket bond taken out by their national headquarters.

13. The apportionments to the Conference for the Administration Fund shall be apportioned to the charges of the Conference by the District Superintendents on the same percentage ratios as those for the benevolence funds. The annual apportionment to the Oregon Conference for the General Administration Fund is $1,001.

14. The Jurisdictional Conference expense apportionment is ¼ of 1 percent of the pastor's cash salary provided that any deficit of any year must be paid during the quadrennium.

15. The apportionment for the Episcopal Fund is an amount equal to 1-3/4 percent of the cash salaries of the pastors for the current year.

16. The Annual Conference, having fixed its fiscal year from June 1 to May 31, your Commission recommends that these dates become the fiscal year dates of the charges in the Conference.

17. The Commission is arranging to have the Treasurers' books audited in keeping with the provisions of the Discipline.

18. All Benevolence monies, both World Service and Conference Benevolence, shall be remitted monthly by the charge treasurers to the Conference Treasurer who shall distribute them monthly to the various causes, agencies, and institutions according to the schedule herein set forth.

Conference Treasurer that a total of $63,710.58 was given for World Service and Annual Conference Benevolences, which is 34.48 percent above the giving of a year ago. This is on top of an increase of 27.73 percent reported to the 1943 Annual Conference. The Conference Benevolence Budget items have been paid in full, and there remains a surplus of $5,887.92. All receipts for World Service have been forwarded to Dr. O. W. Auman, Treasurer of the General Commission on World Service and Finance.

We recommend that $1500 of this surplus, now in the hands of the Annual Conference Treasurer, be allocated to the Portland District for religious work in the Defense Housing Projects, $400.00 to the Conference Commission on Evangelism, $500.00 to the Cascade District to be used for matching gifts to liquidate present church building indebtedness, $100.00 to the Conference Travel and Entertainment Committee to meet their increased budget due to the larger number of members attending, and that the remaining surplus funds be held by the Conference Treasurer as an emergency fund for possible post-war need, subject to the further recommendation of the Commission and order of the Annual Conference.

The General Conference adopted a World Service goal for the new fiscal year 10 percent in advance over the giving of this Conference during the fiscal year 1942-43. The apportionment for the next Conference year is $33,243. As a result of study of askings from the various Annual Conference interests asking funds for their work, your Commission recommends an Annual Conference Benevolence Budget of $23,000. These two items make a total of $56,243. Your Commission recommends the Benevolence askings for the new Conference year be set at $57,000.

We present the following proposals:

1. That the apportionments to the Charges be made by the District Superintendents in harmony with Paragraph 837 of the Discipline.

2. All money raised for the World Service, and/or Annual Conference Benevolences shall be shared pro-rata between the Conference Benevolences and the World Service on the following rations: 40 percent to Annual Conference Benevolences; 60 percent to the World Service.

3. All Benevolence monies shall be remitted to the Annual Conference Treasurer in keeping with the provisions of Paragraph 839 of the Discipline.

4. The following Conference Benevolence are approved:

BOARD OF MISSIONS AND CHURCH EXTENSION

The Oregon Conference Board of Missions and Church Extension presents its report with an awareness of the new days accompanied with unprecented challenge and responsibility.

We do not say as did Paul of old--"Now we look through a glass darkly," but rather, that we look into the immediate future with the consciousness that "The world is my parish" and is in need of a Redeemer. We, hear the Macedonian call coming from the nations of the world seeking deliverance from slavery. The Missionary passion of the church in behalf of world peace and the Kingdom of God on earth must equal the passion of our armed forces in behalf of military victory. Once again the church must build her alters a sacrifice and devotion and call upon the Lord saying—"Lord here am I, send me."

The Oregon Conference truly rejoices over the $17,000.00 increase in World Service giving during the past year. This increase was due in part to the splendid work done by the District Missionary Secretaries in conjunction with the District Superintendents. District and sub-district institutes were held on the Portland and Salem districts, while the Hansen's visited every charge on the Cascade District

1. The Oregon Conference Board recommends the acceptance of the report of the Commission on World Service and Finance of the General Conference, fixing the World Service budget for the next four years at a ten percent increase over the total World Service giving as of the year closing May 31, 1943.

2. We whole-heartedly endorse the Crusade for Christ as conceived by the Board of Bishops and approved by the General Conference, working toward a new world order, aiding in world relief, and reconstruction, evangelism, stewardship and increase in Church School attendance.

3. We recommend that the Oregon Conference accept its full responsibility in raising its full share of the $25,000,000. as approved by the General Conference, as the minimum figure necessary for the execution of the aforesaid five-fold program of world reclamation and redemption. This amount is to be raised December 1st, 1944 and January 31st, 1946, including three income tax reduction periods. This shall not be looked upon as an impossible task or a burden, but rather an opportunity afforded unto Oregon Methodism to express her appreciation for what God has done for her throughout the last one hundred years through the Board of Missions.

4. We do urge all churches to organize their Missionary Committees according to paragraph 1040 in the Discipline.

5. The World Outlook and the new study which will be off the press about September 1st, should be heartily recommended before all congregations, thereby stimulating missionary interest and financial support.

6. We do urge the observance of the fourth Sunday of the month as World Service Sunday in our Church Schools.

19. The new legislation requires the Commission to report the amount computed by the Board of Conference Claimants as necessary to meet the annuity rate set by the Conference. To pay the annuity rate of $13.00 requires $46,735.6 The present plan of apportionment, together with the appropriations from the Methodist Publishing House and the Board of Pensions plus the accrued interest on Conference deposits, will probably meet these needs.

20. The General Conference adopted the following paragraph relative to the various treasurers:

"Par. 160: For the sake of economy and efficiency the Annual Conference may constitute the Conference Treasury as a depository for any or all Conference Boards and Agencies participating in the Conference Benevolences, eliminating as far as possible the necessity of a treasurer for each. In this event the Conference Treasurer shall keep a separate account for each such Board or Agency, enter the proper credits at the end of each month's business and disburse the same on proper order from each Board or Agency respectively. None of the above designated accounts shall be drawn upon for the benefit of another."

The Commission recommends that insofar as practicable this be adopted by the Annual Conference.

21. We recommend that Table No. 3 of the Pastor's report to the Annual Conference be submitted hereafter to the Conference Treasurer.

22. The Commission nominates Ernest Purvance of Coquille as Conference Treasurer for the new quadrennium.

23. The Commission recommends that the Conference accept its full equitable apportionment of the $25,000,000 fund for the "Crusade for Christ" adopted by the 1944 General Conference in Kansas City for the non-recurring projects in post-war rehabilitation. Mainfestly, in carrying out such a program we must not neglect the home-base, nor should we allow projects already begun within our Conference to fail through neglect. The Commission therefore recommends that all special appeals for Conference causes and projects be completed by November 30, 1944.

The General Conference set December 1, 1944 as the time to begin the campaign to be completed in the March-to-Easter period, with unpaid pledges to be paid in full by January 31, 1946.

24. The Commission recommends the Conference give its approval to the request from the Institute Sites Commission to continue its campaign until a minimum of $7000 is in hand for matching the Carrier Estate funds, and further that the closing date of the Campaign be fixed as November 30, 1944.

Joseph Knotts, Chairman,

Ernest W. Peterson, Secretary.

BOARD OF TRUSTEES

In the will of Mrs. Carrier, deceased, provision was made for certain amounts to come from her estate to the Oregon Annual Conference. This is to be divided equally between the Board of Conference Claimants Permanent Fund and the Helen Kelly Manley Community Center.

In the case of the Conference Claimants Permanent Fund the board acts only as a channel passing the checks along to the Permanent Fund Treasurer. But in the case of the Community Center the Board of Trustees are responsible for keeping the money invested and at proper interval turning the interest to the Center to assist them in their work.

On each of the above funds $5,500.00 has been received. $5,500.00 has been turned to A. M. Smith, treasurer and $5,500.00 was ordered invested in Government bonds. The interest of which is to go to the center.

The Wesleyan Methodist Church completed their payments on the Swedish Tabernacle and was given an insured title as requested.

Our assets are as follows:

AUDITOR'S REPORT

Oregon Annual Conference
Methodist Church
Portland, Oregon

Dear Sirs:

We have made an audit of the books and records of your treasurer, Rev. Ellsworth M. Tilton. In connection therewith we examined his records and reports, the voucher records, and such other material as we deemed necessary. We also made checks of the pastors' reports to the Annual Conference Treasurer.

In our opinion the report of your treasurer, Rev. Ellsworth M. Tilton, which shows receipts of $179,490.70, disbursements of $173,689.40 and a cash balance of $6,404.77 is correct and properly shows the receipts of all funds coming into his possession and their proper budgetary disposition.

Yours very truly,
P. H. KNEELAND and Co.
